Down Payment Assistance

The Down Payment Assistance Program helps families with the upfront costs of buying a home.

[Get Started on Your Homeownership Journey](#)

Program Overview

Notice: As of October 2, 2025, all funds for the year have been exhausted. The DPA program is currently closed. If you are a CHA resident and interested in DPA, please connect at an orientation for 2026!

The Down Payment Assistance Program (DPA) helps families with upfront costs of buying a home. CHA residents are eligible for a \$20,000 grant. However, CHA residents who receive a grant will be transitioned off of their subsidy. If you are not a CHA resident, but are an Illinois resident or moving to Chicago, you are eligible for a \$10,000 grant. ([Download a summary flier.](#))

You can use DPA funds for your down payment, to reduce the loan amount, or to cover closing costs. You can also combine CHA funds with other down payment help, but you can't get cash back when you close on the home. The grant will be forgiven after 10 years of living in the home.
